

**Assembly set for double
needle binding operations:**

0867 V92772

for 4 mm needle distance

0867 V92789

for 6 mm needle distance

Binding made easy

An upgrade for your Dürkopp Adler sewing machine!*

With the double needle binding device you will be able to create flat and displacement-free edges. The swivel rail allows a quick and easy changeover.

*For all double needle M-TYPE flat bed machines
